## TERMS AND CONDITIONS

These Terms and Conditions apply to all international students who apply or are enrolled to study a CRICOS registered course at GLOBAL COLLEGE AUSTRALASIA (GCA) on an international student visa.

The student must meet all of GCA's admission requirements in order to receive an offer letter or enrol at GCA, including all academic, English language, and student visa requirements. Information regarding your course, including prerequisites and requirements, is available at [Best International College in Perth Western Australia | Global College](#)

### English language proficiency

GCA does provide an English entry test for students who do not provide the IELTS or PTE relatives prior the enrolment stage. The student must meet the GCA entry requirement for their study/course/enrolment. GCA also provides the support session for better student learning outcome after being identified by a training accessor and ELICOS teacher.

### Information regarding a disability (Page 6)

- GCA identifies the student's Language, Literacy, and Numeracy issues in the mandatory induction test.
- GCA requires information regarding any disability that you may have in order to establish whether you require the provision of additional services or facilities.
- If, after consideration of your requirements, the provision of additional services or facilities would impose an unjustifiable hardship on GCA (such as due to high costs), your enrolment may be refused, or additional fees may apply. GCA will advise you in writing of its decision.
- The provision of additional services or facilities is not a guarantee that you will successfully complete the course. GCA reserves the right to terminate your enrolment if the provision of reasonable adjustments is unsuccessful and the further provision of services or facilities would constitute an unjustifiable hardship on GCA.

## International student obligations

- Must obtain a student visa and comply with all student visa requirements;
- Must comply with GCA enrolment conditions and requirements in respect of international students;
- Must comply with all applicable GCA student policies and procedures;
- Must meet all GCA course requirements, including the GCA Course Progress and Attendance Monitoring for Students Policy and Procedures;
- Must pay the required tuition and non-tuition fees by the due dates specified by GCA;
